

The Hovercraft Museum CIO which is situated in Lee-on-the-Solent.

In November / December we have an event called Hover Crafting with the Elves.

This event will include several fun craft activities and there will be a chance to meet some of Santa's elves.

Each session is held with a small capacity of up to 20 children aged between 5 and 15 years, so the event should be suitable for everyone.

This is our first event of this type and being a local charity, we would love to support the local community in offering this event to as many children as possible.

Please see our flyer attached. Booking essential.

Being a non-funded independent charity, hosting events such as this do make a huge difference to the museum and will help increase the community activities we can offer each year.

We look forward to seeing you

The Hovercraft Museum CIO

Come and join us for a filled morning of Christmas fun with a range of craft activities to enjoy.

Meet some of Father Christmas' Elves who will share in the excitement and deliver a gift bag from Father Christmas to take home.

This event is running on selected dates between the 22nd November and 6th December. See website for further details.

Bookings ONLY available online
