

Fareham's **999 Day** is a free family-friendly community event celebrating our emergency services taking place on Saturday 20 June on the pedestrianised area of West Street, Fareham Town Centre.

999 Day will give you and your family the chance to meet local emergency service heroes and learn more about the vital work they do. Vehicles and information stands will line the pedestrianised area, creating an engaging and interactive experience for all ages.

Services and organisations attending will include:

- Police
- Fire & Rescue Service
- South Central Ambulance Service
- RNLI
- Hampshire Search and Rescue
- Coastguard
- Vintage and independent emergency service fire engines
- And many more

In addition, there will be free children's activities and live performances throughout the day at the bandstand, making it a great day out for families.
