Who can help us in our town?

We will be thinking about our special skills that we share with others.

If your child has any ideas or questions that they would like to find out about then please write them down and send them in. The email address for all your news is: **h.work@wallisdean-inf.hants.sch.uk**

In **Drawing Club** we will be using our speaking and listening skills to talk about stories linked to jobs in our community. We will also be using our writing skills to write simple words using sounds we have learnt.

In **Maths** we are exploring the compostion of numbers, discovering how all numbers are made up of 1's. We will be comparing different numbers and will focus on developing our couting skills. As we move into winter we will be exploring patterns in nature and our environments.

Ideas for home:

Think about other people in other countries whose job it is to help others. Do you have family or friends who carry out these roles in other countries that you could share with us? Do you have relatives, in the past or present, who have served in the Armed Forces, Fire Service, Police, NHS? Could you bring in a photo to share and talk about during Family Time? If you can come in to visit us to talk to us about your job that would be amazing! Find the smoke detector in your home and check it works. Make a plan of what to do in an emergency in your own home.

Keep practising reading through listening to stories, reading stories and keywords and looking for print in the local environment.

Wallisdean Infant School

2026/27 Year R – Autumn 2 Topic Newsletter

In **The World**, the children will be going for Welly Walks on one afternoon in the week. This will give the children opportunities to explore the outside environment and discover more about their surroundings. Our focus will be on Autumn and exploring the different trees and nature found in our woodland.

They will also have opportunities to investigate scientific ideas during their Busy Time.

Dates to remember

Monday 2nd November - Start of Autumn 2

Monday 2nd November - Dress up day

Tuesday 3rd and Wednesday 4th November - Parent's evenings

Monday 9th November - Flu immunisations
